

# Th3rd Fx Mission Statement

---

The mission of Th3rd Fx is to create the most dynamic versatile community of like-minded entrepreneurs in the industry of foreign exchange currency trading.

We will help entrepreneurs develop essential skills such as proper financial planning to maintain wealth generated, personal development to blossom as a leader to become influential and inspirational in order to reach the masses through a diverse use of marketing strategies so that we can effectively and efficiently convey our message internationally.

Our vision as an organization is to assist individuals in creating highly desirable incomes as entrepreneurs. In addition to that, we have a strong desire to create one hundred six figure income earners and ten millionaires.

The Foreign Exchange Market is the launching pad for us to branch into other areas of business such as real estate, small businesses, music industry, modeling, acting, etc. for those interested parties who are open to other ideas outside of our currency trading arm.

As a unified community, we strive to focus on building people, over delivering on value and aiding entrepreneurs in designing the desired lifestyles they desire.
